

U-WAV Touchless Sensing Solution

The power of control. Automated.

Simply Wave Hand to Activate

The U-WAV is a sensor switch designed for touchless activation of automatic doors, lighting controls or call points. Ideal for sterile environments such as operating rooms or clean rooms, the U-WAV provides a complete hygienic solution for many different applications.

The Larco U-WAV touch free switch features always on, blue LED backlighting uniquely designed to be aesthetically pleasing while providing reliable operation. It is composed of very durable ABS plastic. The U-WAV's universal plate design fits most standard single gang electrical box sizes. FCC approved.

Applications

- Hospitals & Clinics
- Clean Rooms
- Pharmaceutical
- Rest Rooms
- Food Processing
- Restaurants
- Physicians' Offices
- Medical & Semiconductor
- Anywhere hygiene and convenience are needed

U-WAV is easy to install
